Speed Oven

- Using microwaves along with top and bottom air impingement, this speed oven cooks food precisely every time
- The full color touch screen display gives you incredible menu flexibility
- Adjustable microwave power from 0 to 100%, with 10% increments
- Adjustable impingement air speed from 10% to 100%, with 10% increments
- Automatic voltage detection and ventless operation
- One basket, one tray, 2 oz. cleaner, 2 oz. shield and one peel are included
- 208/240V

E300 1 cu. ft. 22³/₄"W x 33"D x 20⁷/₈"H

Super Deck Y Series Gas Pizza Oven

- Designed for high volume, high quality pizza operation
- Heat control dampers assure balanced top and bottom heat for delivering consistent, even baking results
- Doors are counter balanced with a heavy-duty high tension spring and will remain open or closed until moved
- Dampers can be adjusted to give maximum bottom heat during busy production periods
- Throttling thermostat has a temperature range from 300°F to 650°F
- Combination gas control incorporates a manual gas valve, pilot safety and pressure regulator
- Deck is made of 2" thick fibrament stones, supported by 1/4" angle iron frame
- Legs are seven gauge hot rolled steel and are painted (pictured with optional casters)
- Ovens can be stacked two high with no wasted space between them
